

***** 4-States Beekeeping Conference Postponed *****

Dear Conference Participants,

An Important Update:

The 4-States Beekeeping Conference team wants to express our sincere appreciation for your interest in our conference. While we were truly excited about this year's event, unfortunately, **we must inform you that we have decided to postpone this year's conference in Joplin, MO, held at Missouri Southern State University.**

While this might not be ideal, we see this as an opportunity to enhance the conference, refine our offerings, and ensure that it meets your expectations in every way. Our team is dedicated to making a more engaging and valuable event for you in the future.

Rest assured, your registration fees will be fully refunded! We will continue to inform you about the developments for the rescheduled conference. We hope you will consider joining us then and we will be ready to deliver an outstanding event that you won't want to miss!

We whole-heartedly appreciate your continued support and enthusiasm for the 4-States Beekeeping Conference.

Thank you for understanding and we look forward to the continued promotion of beekeeping. In the meantime, if you have any questions or concerns, you can contact us at 4statesbeekeepingconference@gmail.com.

Sincerely,

Dale Foley
